2015 Vintage Report

Good winter rains and warmer temperatures in early spring brought about slightly earlier bud burst and excellent shoot growth. A lovely growing season with no crazy, stormy or very windy northerly weather to affect flowering resulted in a great fruit set across all varieties. However, the northern Barossa, and a few other seemingly random patches of vineyard, were hit by late frosts resulting in a huge loss for that sub region. After a quite chilly Christmas and New Year the warm and dry weather was upon us, perfect ripening weather. An early and fast vintage for the Barossa Valley had Langmeil at full fermentation capacity for three and a half weeks meaning 75% of our grape intake in less than a month, phew! The later ripening varieties like Grenache and Mataro still took their time and of course Eden Valley Shiraz and Cabernet Sauvignon are always late – so vintage soon wound down to a leisurely pace ending in the middle of April. Overall 2015 was an excellent vintage with great flavour, colour and intensity across the board.

Colour: Medium to deep crimson with purple hues.

Aroma: A rich and alluring aroma of red and blue fruits jump out of the glass with herbaceous hints, black olive and roasty notes adding some savoury to the sweet.

Palate: Ripe and juicy berries flow onto the palate

which is medium bodied, with soft and velvety tannins adding a lovely structure and texture to the wine while sweet and briary spice balances the juicy fruit through to the finish.

Cellaring: 2016-2022.
